

OLF Signal Marketing Plan

7-level marketing system. Each level is activated sequentially.

Marketing activation at any level

This is the purchase of **OLF Signal** subscription on **RUPAY** exchange in the special section **OLF Signal**

The **minimum** subscription to participate in marketing costs **100 OLF** 🎁

To move to the **second level**

You need at least **7 people** in your first line to **duplicate** these actions

To move to the **third level**

You need **7 partners** from your first line to open the **second level** as well

Without fulfilling the described conditions, the marketing program participant receives only **the promised marketing percentage from his/her affiliates' purchases.**

Activation of **each level** allows you to receive

From

7%

(according to each level of marketing) from further purchases of their partners. Referral deductions will be accumulated on a separate account located in the **OLF Signal** section

To

8,5%

You can use the coins at your own discretion, for example, to buy new packages of neural network signals, to exchange them for other **RUPAY** platform assets or to sell them on the exchange

Contributions **by tier:**

1	7%	3	8%	5	8%	7	7%
2	7,5%	4	8,5%	6	7,5%		

In addition to all accruals, **RUPAY** will separately incentivize each participant of the program and give a gift for **closing the level:**
